

Stress-free lab work, **delivered.**

What if you could get lab work done without the hassle of going to the lab? Imagine – no driving to the lab. No line-up. No stranger-packed waiting room. Just the comfort of a familiar place and the easiest possible test experience.

Freddie has partnered with **TAPLABS** in Calgary, Alberta to deliver complimentary, concierge laboratory services at your home or office. Skip long in-person waits and complete bloodwork where and when you need it.

Freddie will cover the full cost of your TAPLABS at-home blood draw appointment to ensure you can conveniently complete your required lab work in order to access the medication you need!

An extra 90 minutes in your day, **delivered.**

What is TAPLABS? TAPLABS is an AHS-approved mobile laboratory service that brings the lab to you. Our team of skilled laboratory professionals provide mobile collection of diagnostic lab tests ordered by licensed healthcare providers. Samples are promptly couriered to the laboratory and results are disclosed to the ordering provider for follow up. TAPLABS revolutionizes healthcare by bringing prompt, discreet and personalized laboratory services to your doorstep.

The TAPLABS advantage:

Cost-covered program.

As part of a Freddie-sponsored initiative aimed at improving the lab test process for PrEP, your TAPLABS service fee is fully covered by Freddie. This complimentary service is exclusive to Freddie patients in Calgary and surrounding area. Book and complete your required lab work in the comfort of your home or office at no additional cost.

Fast, easy appointment scheduling.

TAPLABS' user-friendly booking system is designed to accommodate the dynamic demands of your busy schedule.

Expedited treatment pathway.

Faster lab services mean fewer delays in getting the medical care you need - whether it be bloodwork for a routine check-up, medication monitoring, or prescription refill.

Compassionate, expert care.

Our team of caring, skilled lab professionals provide discreet and personalized care to ensure a seamless and successful collection experience.

How it works:

Getting lab work done with TAPLABS is as easy as 1, 2, 3.

1 Create a TAPLABS account.

Download the TAPLABS mobile app or go to the **online booking portal**. Enter your name, email address and password to create an account.

2 Book an appointment.

Enter a test location (your home or office) and select FREDDIE from the service menu and add the '**Freddie**' promocode. Click 'Schedule for Later' to secure a time of your choice and checkout.

3 Meet your TAPLABS technician.

A TAPLABS technician will meet you at your chosen location to perform your lab work. After the appointment, your samples will be delivered to the lab for processing. Test results will typically be made available to your ordering provider within 48 hours.
